

Washington State Independent Living Council (WASILC) and the The Centers for Independent Living (CILs) are inviting you to a public forum

What: WASILC and CILs are responsible for collaborating to create a State Plan for Independent Living (SPIL) every three years. The SPIL is a strategic plan that includes IL goals and objectives, and the continuous development of the IL Network through the Independent Living Philosophy. To determine the goals of the SPIL, the CILs hold public forums for consumers, community partners, and other interested parties, to comment on and provide information on the experiences of individuals with disabilities in Washington State.
