Inaugural Edition!

WASILC publishes first newsletter

By Rob Honan
Executive Director

Welcome to the very first Washington State Independent Living Council (WASILC) newsletter. It has been a long time coming.

The purpose of the newsletter is basic: to keep you updated on issues relating to the WASILC, Centers for Independent Living, and Independent Living in general in this state and nationally. We want you to know more about the things that affect the lives of people with disabilities in this state

We hope that you take time each quarter to read this newsletter- and to share it with your friends and colleagues. Glad to have you on board!

As a note, this is the first edition and, to be sure, there will be changes as we keep improving! We want to hear from you and from time to time, we will put you on the spot and request that you write an article for us.
